

Rhenocolor Beizverdicker 68291

Solvent-based product

Art. No.: A 4545

Application areas:

Nearly colorless, solvent-based additive for Rhenocolor solvent-based stains. Thickens the stain, improves the flow resistance and simplifies the application on larger surfaces. Conduct your own tests to achieve optimal amount to be added. The stains are to hold more material on the surface. In general the color will be more intense or darker. For professional use.

VOC 2010: n/a

Safety advice:

Irritating to eyes and skin. Keep under lock and out of reach of children. Avoid contact with eyes.

Disposal:

Not fully hardened or not dried out product residue is to be disposed of as special waste (AVV waste-key no. 030202). Empty containers are to be recycled.

Supply units:

5 liter canister
30 liter hobbock

Service:

Our service team for application technology is available to you at any time without obligation.
